		Notes		
		The outcome path is the age of a writer at his/her first book publication. The rules representation have been simplified for the reader. In the table below, the instance having **T0** published at a younger age than the instance having **T1**.		
		Rules		
	Treatment Path	**T0**	**T1**	**Metric**
R1	birthDate	A writer born later publishes at a younger age (ex: born in 1970 compared to born in 1920)		3,2
R2	arwuW	A writer who studied at a better ranked university publishes at a younger age		1,5
R3	genre	Fiction	Not fiction	1,8
